	<u>TERRY FOX RUN:</u> Mr. Rolph This Friday, we participate again in our annual Terry Fox Run. In 1980, after having been diagnosed with cancer and having his leg amputated, a young Terry decided to run across Canada to raise funds for cancer research. He said <i>"When I started this run, I said that if we all gave one dollar, we'd have \$22 million for cancer research, and I don't care man, there's no reason that isn't possible. No reason!"</i> Today we continue his legacy on our run and with our fundraising efforts well. Donate in your period 6 block and let's reach our goal of \$1 / BMSS student. In his own words, <i>"Even if I don't finish, we need others to continue. It's got to keep going without me."</i> Let's keep Terry's dream alive BMSS.
