Whether spend your time together playing sports, board games, doing crafts or just hanging out on the playground Big Brothers is grateful for your dedication to your Little Buddies and to our community. Your mentoring has a direct impact on the children in our programs, and to the future of our society as a whole. Children with mentors go on to have better relationships with their peers and adults, do better in school, gain higher self-confidence and eventually give back to the community when they are grown. Thanks to you, these children will have the tools they need to reach their full potential. It has been an incredible pleasure working with you this year.
