UBC ENGINEERING

Upcoming Events

Engineering Explorations 9: Go ENG Girl

Saturday, October 17, 2015 | 9:00am - 3:30pm

Join us for an exciting opportunity for Grade 9 girls across BC to visit UBC Engineering on our beautiful Point Grey campus, to learn from women professionals, academics, and students about the wonderful world of engineering.

Enjoy fun, hands-on activities led by current university students, meet amazing mentors and tour one of our top research labs.

This event is **FREE** but space is limited so RSVP soon.

Lab Tours

Join UBC Engineering for a guided lab tour exposing you to the world of engineering and the engineering research we do here at UBC. Advising available after tour.

Friday, September 25: 3 - 4:30pm
Friday, October 9: 3 - 4:30pm
Friday, October 23: 3 - 4:30pm

Geering Up After School Clubs

Engage with mentors, go on tours and field trips, and participate in some fun Science, Technology, Engineering and Math activities. All grades.

Innovators Speaker Series: STEM Talks at Science World

In honour of Ada Lovelace Day, Science World invites you to celebrate five inspiring women working in science, technology, engineering and mathematics. Hear their thoughts on what it's like to work in STEM fields, along with their insights on how we can be part of the positive change in our environment to help cultivate talent and promote full inclusion.

Tuesday, October 13
6:15pm, Science World
Buy tickets at www.scienceworld.ca/stemtalks

Open House

Save the date: **Saturday, November 28, 2015.**

Cool demonstrations, fascinating lab tours, informative presentations: talk to advisors, professors and current students about all your options. Learn how engineering can make a world of difference.

Join Our Mailing List

Subscribe to our mailing list and we'll let you know about all of our upcoming events!

ENGINEERING EXPLORATIONS 9: Go ENG Girl

Saturday, October 17, 2015
9:00am - 3:00pm | 8:30am Registration
UBC Vancouver Point Grey Campus. Fred Kaiser 2020/2030.
Cost: Free! Lunch and snacks provided.

This is an exciting opportunity for Grade 9 girls across BC to visit UBC Engineering on our beautiful Point Grey campus, to learn from women professionals, academics and students about the wonderful world of engineering. You will enjoy fun, hands-on activities led by current university students, meet amazing mentors and tour one of our top research labs.

Parents are welcomed to a parent information session later in the day. Learn why engineering is an amazing career opportunity for your daughter and how to encourage her to consider all of her options as she moves forward in her secondary and post-secondary education.

This event is for limited to Grade 9 girls.

Register by October 12 at
www.engineering.ubc.ca/student-events

SCHOOL GOALS:

GOAL #1 **Literacy:** to improve students' reading for comprehension with a focus on *finding the main ideas* and *note-making* at the Grade 8 and 9 levels.

GOAL #2 **Healthy Living:** to increase student awareness, understanding, and practice of healthy living.

Plans for Summer 2016?

You could experience the culture and sites of Mesa, Arizona, Burnaby's Sister City, and meet youth from all over the world!

Host a student from Mesa, Arizona in your home in June ~ and then stay in their home in July. Round trip airfare will be provided.

Two students will be chosen to represent Burnaby in this Youth Ambassador Exchange Program. You must be in grade 10 or 11 to apply.

If interested, see your counsellor.
Deadline: October 30, 2015

For more information visit: www.mesasistercities.org

The Youth Ambassador Exchange Program brings together high school students to promote international friendships through mutual respect, understanding and cooperation, increase leadership skills, and prepare youth to make a difference in their community.

SCHOOL GOALS:

GOAL #1 **Literacy:** to improve students' reading for comprehension with a focus on *finding the main ideas* and *note-making* at the Grade 8 and 9 levels.

GOAL #2 **Healthy Living:** to increase student awareness, understanding, and practice of healthy living.
