	On Thursday October 12, at 7 pm please join us in the gymnasium to hear Brittany Palmer of Unlock your Future as she leads students in all grades and parents through a step-by-step program for navigating the scholarship process: it is never too early to get started.
	Through this seminar, Brittany debunks common scholarship myths and breaks down the complex process into a manageable form. Using this program, Brittany and her younger brother Bo collectively won 35 scholarships totaling over \$125,000. Since 2005, she has shared her story and strategies with tens of thousands of students, parents and educators.
	The Unlock your Future Scholarship Workbook (\$25) and Scholarship Kit (\$30), which are accompaniments to the program, will be available for purchase. Through this dynamic and informative presentation, Brittany demonstrates that scholarships are indeed possible.
