SCHOOL GOALS:

## Goal 1

To improve students' reading for comprehension with a focus on finding the main ideas, summarizing and in some specific areas, notemaking at the Grade 8 and 9 levels. Goal 2

To increase student awareness, understanding and practice of healthy living.

Dec 22 Ms. Gingras	GRADE 12 STUDENTS ENROLLED IN WORK EXPERIENCE 12A: Please come by and pick up your final assignment. The Career Portfolio Project is ready to pick up in the Career Centre - it is worth 20% of your final grade in the course and is due on March 6, 2018.
	<u>GRADE 11 &amp; 12 STUDENTS – MINERALS EDUCATION CAREER EXPLORATION DAY</u> : Minerals Education of BC is hosting a one-day conference on Monday January 22 <sup>rd</sup> at the Vancouver Convention Centre West for students who have an interest in geoscience, mining, or engineering, or broadly in indirectly-related fields as varied as business and accounting, investment banking and securities, environmental consulting, back country expediting, etc. Come by the Career Centre for more information.
	GRADE 11 & 12 STUDENTS – WORK EXPERIENCE OPPORTUNITY AT QUEEN'S PARK CARE CENTRE: If you are interested in a career in health care and would like to do some work experience hours at a local residential care centre for seniors, Queens Park Care Centre in New Westminster has some openings in their recreation department on Tuesday and Friday evenings as well as on Saturday mornings. If you are interested, please come by the Career Centre for more info.
	<u>GRADE 11 &amp; 12 BUSINESS EDUCATION STUDENTS – JUNIOR ACHIEVEMENT OF BC</u> : Junior Achievement of BC offers an exciting program for students to work with and meet on a weekly basis with mentors from the business community. Over the course of 16 weeks, students will take an actual product or service all the way from brainstorming through development to marketing and sales. Along the way, the students will learn about finance, business plans and the roles played in a company among many other aspects of running a business. Meetings are located at a local company right near our school on Production Way and happen in the evenings. Come by the Career Centre for more info.
Dec 22	APPLICATIONS ARE NOW OPEN FOR VARIOUS OPERATION: THIS IS YOU!
Dec 22 Ms. Manning	APPLICATIONS ARE NOW OPEN FOR VARIOUS OPERATION: THIS IS FOOP Programs sponsored by The Achieve Anything Foundation. The foundation was formed to develop and implement year- round projects and programs of lasting value towards inspiring female future leaders in STEM, and STEM-based fields such as Aviation, Aerospace, Marine and Defense. The free events are being hosted by VFRS, Canadian Coast Guard, Royal Canadian Navy and other agency partners keen on improving gender diversity within their organizations and promoting opportunities for women in what many still perceive as "non-traditional" fields. The following programs are now accepting applications:
	The Royal Canadian Navy : Day Sail on a Warship on Saturday, January 27, 2018 9am – 4pm. Activities include tours of ship duty stations, crew quarters and operational equipment; RCAF joint search and rescue demonstration, ship firefighting simulation, and demonstration of the warship's impressive maneuvering capabilities
	Search & Rescue with Canadian Coast Guard at Richmond - Sea Island Hovercraft Base on March 31, 2018 9am – 4pm. Activities include tours of base duty stations, an interactive search & rescue exercise, dive demonstration, educational games, firehose challenge, drive the zodiac rescue craft and a ride to sea in the hovercraft.
	Tactical Day with Vancouver Fire & Rescue Services on Saturday, May 12, 2018 9am – 4pm. Activities include hazardous materials decontamination, extrication from an automobile, live fire, technical rescue - rappel from burn tower, heavy urban search and rescue drill.
	For more information and applications please go to: <u>https://www.achieveanything.ca/thisisyou.html</u> . If your application is successful please come to the Career Centre to find out how this might count towards your work experience graduation requirements.
Dec 22	INVENT THE FUTURE: AI SCHOLARS PROGRAM
Ms. Manning	Invent the Future is a two-week summer enrichment program for Grade 11 girls at Simon Fraser University's Burnaby campus. During this Artificial Intelligence (AI) Scholars Program, 24 girls will explore the world of AI through team projects, industry field trips, and connecting with mentors and industry experts in a supportive yet challenging environment. Scholars will live on campus during the program, running July 9-20th, 2018. For applications and more information go to : <u>https://www.sfu.ca/computing/inventthefuture/</u>
Dec 22 Ms. Manning	THE TEC NOVATION CHALLENGE is a global program that encourages teams of girls to address a problem in their local community by building a mobile phone app. No previous programming is necessary and the girls would be paired up with mentors to help them through the curriculum. The Applied Sciences Faculty at SFU provides workshops for the girls at SFU and they also host the Regional Pitch Competition where the girls would pitch their app to local judges. If you missed the lunch time presentation last week, but are still interested, got to: http://www.sfu.ca//news-a/community-outreach/technovation/ for more info.
