

## BURNABY MOUNTAIN SECONDARY SCHOOL

# Grade 8 School Supplies List

We have created this school supply list to help you prepare for your arrival at Burnaby Mountain Secondary in September. This list is meant to ease your nerves when you go school supply shopping. This list contains the supplies you will need for the entire school year. This is a **GUIDELINE** and is not mandatory, everyone has their own preferences and teachers may have specific requests for your supplies.

- 3 red pens (2 for backup in case you leave one in class or forget it at home)
- 3 black pens (same reason as the red pens)
- 3 blue pens
- 3 pencils (HB or mechanical)
- PAPER! (You will need 3 hole lined of paper for your school year, approximately 500 - 1000 sheets)
- 2 erasers
- Pencil Crayons / Felts (They are not mandatory but can be useful at some times)
- Highlighters (optional but helpful)
- Ruler
- Calculator
- Pencil Case
- Binders (There are two main binder systems that work for two different types of people. Some students like to carry two large binders one for each day of classes. Other students prefer to have a small binder for each class. Some classes don't need binders)

Remember Grade 8 is your first year of high school. You get to figure out what works best for you. The purpose of this list is to help new Grade 8's feel comfortable.

Good luck in 2016-2017!
