The Wizard of Oz*

Come see this fantastical musical where Dorothy, a young girl, is carried by a tornado from Kansas to the enchanted Land of Oz. She finds herself amongst three companions – a scarecrow wishing for a brain, a tinman in search of a heart, and a cowardly lion in pursuit for courage. Together, they depart to the Emerald City to meet the Wizard of Oz, in hopes for achieving their greatest dreams. Join them on this incredible journey in which they discover that the things they have been searching for have been inside of them all along.
