Nov 30 Mr. Richardson	<p><b><u>ATHLETE’S COACHES OF THE MONTH</u></b></p> <p><b><u>Girls:</u></b> Isabella Brunoro -- Cross Country Jr Girls Team Isabella continues to be an elite runner in the province. She finished first at the District finals, leading the team to the banner, and 2nd at the Zone finals. She helps the girls’ team to focus and prepare at races, and calm the pre-race jitters. Although she is battling through injury at the moment, she is smart enough to treat it properly and should still be a threat at the provincials.</p> <p><b><u>Boys:</u></b> Kaedan Quan-- Junior Boys Volleyball team Kaedan is a positive force on the team, encouraging his teammates in times of need. He is often the floor captain, which is a responsibility that Kaedan has taken with great pride. He is always hard working, positive and only has kind words for his teammates. He has shown continual dedication to the team throughout the season. He is the heart of the junior boys’ team and has been a major reason why the team has finished first in league play.</p> <p><b><u>Coach(es) of the Month:</u></b> The coaches for the month of October are Glenn Boyle and Frank Valente, who coach the senior boys’ soccer team. Together they have built quite a soccer program at Burnaby Mountain. Last year they took home the district banner at the junior level, the first in school history. This year they have managed another banner, however, doing so at the senior level. Again, this banner is the first in school history. Glenn and Frank have been nominated for their dedication, organization, and professionalism and calming presence in stressful situations. Their team has their eyes set on provincials. Good luck gentlemen!</p>
