Students please view your writing date and time by viewing the student lists posted on the windows of the career centre.
 Jan 31 Mr. Richardson	Female Athlete of December: Vera Danilova Vera has been a tenacious defender and rebounder in the month of December. The team responds to her intense energy on the court. She averages 8 rebounds per game and is responsible for countless turnovers by the opposition due to her resilience and Grit. As a student of the game, she is always responsive to new learnings in basketball and continues to demonstrate much growth in all areas of the game. Come out and support our Sr girls on Senior night Jan 21st at 5:15 pm. Male Athlete of December: Maxwell Yuen Max Yuen is a member of the Jr Boys Basketball team and is December's male athlete of the month. Max has shown his commitment to the team on and off the court. He embodies what it means to be a student athlete and a team leader. Before practice Max can be found completing his academic requirements and is often surrounded by teammates while doing so. Max sets a great example for all athletes off the court, and this is no different when Max steps on the court. He never misses a practice and is a major contributor to the success of the Jr Boys this year, as they picked up a few injuries. In his teammates absence Max has really stepped up and carried much of the load. His jump shot is lethal and his ability to find an open teammate is what makes him a very effective threat. The Jr boys are a contender for the district banner this year and Max is a major reason why. Exciting times to come this February. Coach of the Month: Mr. Sacilotto Mr Saciotto or better know to the BMSS community as "Sach" is December's Coach of the Month. He has committed a tremendous amount of his time toward the Juvenile Girls Basketball Team this year, both in practices and games. Mr. Sacilotto has gone above and beyond for his team and it has not gone unnoticed. He has scheduled numerous exhibition games and has challenged his team by playing junior teams. He is an excellent communicator and relates to his players on an individual level. He keeps practices light and fun, all while incorporating the fundamentals, fitness and structured set play. He always has his players best interest at heart and knows when to push and when to pull back. "You can tell that he cares for all of us and that he has a lot of fun coaching." The Juvenile girls are first in their league are the favourite to bring home the district banner.
