Mr. Richardson	<p><b><u>Female Athlete of the Month: Gboya Male</u></b> Gboya is a member of the senior girls' basketball team and has played basketball at Burnaby Mountain since grade 9. She has showed tremendous growth since playing her first game at Mountain. Gboya's commitment to practice has not gone unnoticed and is a major reason why her game continues to improve. Gboya never quits on a play, and this attitude is especially apparent on defense; she pursues the ball tenaciously to great effect. Gboya leads the team in turnovers and is a potent perimeter shooter. In addition Gboya is a fantastic teammate, as she leads by example on and off the court. The other team is certainly aware of Gboya every time she steps on the court, and we are glad she's on our side.</p>

### Male Athlete of the Month: Deon Johnson

Hard work, determination, and resilience don't even begin to describe Deon. He has been a force for the Grade 8 boys so far this year. Deon is constantly working on his game before school, at lunch, after school or whenever he has a spare moment. He leads by example on the court and never lets external factors influence his game. Deon is also a hero, he recently saved his family members from a house fire, but you would never know it by his humble exterior. He is the epitome of what a teammate should be, and his teammates are glad to call him just that.

**Coach: Matteo Bonamin**

Coach Bonamin is the coach of the grade 8 boys' basketball team. His team finished the season with an 8-2 record. In addition, the grade 8 boys went undefeated at both the Capilano and South Delta tournaments. He is a passionate coach who has drilled the fundamentals as well as a highly effective offensive structure. He has received assistance from Thomas Leung and John Huang this season. This group of student athletes are off to a great start all thanks to the vision of coach Bonamin.

Now is the time to get registered to be part of the *Burnaby Mountain Secondary School Sun Run Team*. Our school is online for 2019 registration. We love having our entire BMSS community to be a part of our team. Sign up as part of our school team and continue to get the cheapest rate possible.

**Last year we won the school division for the fastest team.** We hope to defend that title again this year. But we would also like to have the **biggest team** possible. So even if you aren't fast... we still want you! It's all about having a fun community day.
