<p><b>NEW</b></p> <p>Mar 11</p> <p>Mr. Lau</p>	<p><u>Pi Day is coming ...</u></p> <p>Why should you never talk to pi?</p> <p>Because it will just go on forever.</p> 
<p><b>NEW</b></p> <p>Mar 15</p> <p>Mr. Richardson</p>	<p><u>Female Athlete of the Month: Marley Jackson</u></p> <p>Marley Jackson may only be in grade 8 but she is already an accomplished wrestler. Marley placed first at the SFU meet this year, and followed that up with an outstanding second place finish at provincials. Marley is a dedicated student athlete who is as dedicated to her school work as she is to wrestling. Marley always has a positive attitude at practice, and is constantly looking for ways to improve on the mat. She has had an excellent start to her wrestling career this year, and we are all looking forward to what she can do in the years to come.</p> <p><u>Male Athlete of the Month: Aaron John</u></p> <p>Aaron John played on the Junior Boys basketball team, and was a major part to the team’s success. Aaron often played the post position and had to play against players that were often 4 to 12 inches taller than himself. This did not deter Aaron, as he is a tough and hardworking player. Aaron is also highly coachable, he always arrives to practice ready to compete, and does so with a smile. He is a model of consistency, and a model student/athlete.</p> <p><u>Coach of the Month: Joe Smith</u></p> <p>Coach Smith is the coach of the wrestling team and has dedicated numerous hours to the sport. In addition to coaching, he also teaches the wrestling unit to all of the grade 8/9 PE classes, and runs the wrestling club. Coach Smith is passionate about wrestling and that is what makes him such an effective coach. He was able to coach two of our grade 8 athletes to top finishes at provincials this year. Although the Mountain wrestling program is small, they are a powerful group of athletes all thanks to coach Smith.</p>

SCHOOL GOALS:

- Goal 1
- To improve students’ reading for comprehension with a focus on finding the main ideas, summarizing and in some specific areas, note-making at the Grade 8 and 9 levels.
- Goal 2
- To increase student awareness, understanding and practice of healthy living.
