604-297-4456

This training will help front-line leaders improve the quality of programs (working with children 6 to 12 yrs – i.e. camp counselor, coaches, swim instructors) it provides in depth training in the HIGH FIVE Principles of healthy child development so front-line leaders understand what they need to do to ensure each child's social, emotional and cognitive needs are met. Leaders learn activities and gain knowledge, tips and resources to enhance their programs as well as their relationships with children and other staff members.
More information on each course can be found at www.highfive.org
