SCHOOL GOALS:

Goal 1

To improve students’ reading for comprehension with a focus on finding the main ideas, summarizing and in some specific areas, note-making at the Grade 8 and 9 levels.

Goal 2

To increase student awareness, understanding and practice of healthy living.

This training will help front-line leaders improve the quality of programs (working with children 6 to 12 yrs – i.e. camp counsellor, coaches, swim instructors) It provides in depth training in the HIGH FIVE Principles of healthy child development so front-line leaders understand what they need to do to ensure each child's social, emotional and cognitive needs are met. Leaders learn activities and gain knowledge, tips and resources to enhance their programs as well as their relationships with children and other staff members. More information on each course can be found at www.hightfive.org
