MASS MEASLES IMMUNIZATION MAY 30TH,2019

- Important details for all students regarding the mass measles immunization clinic on Thursday May 30, 2019.
- The Public Health Nurse Team will be here for the full day on Thursday May 30, 2019 and will be stationed in the Library.
- Their plan is to provide immunizations to students who need them in every grade level.
- Beginning at 8:50 am, students will be called to the Library by grade and alpha.
- The fraser health nursing team will begin with students in grade 8 and continue with grade 9, grade 12, grade 11, and grade 10 in that order.
- The alpha groupings will be A-E, F-LA, Le-Re, and Ri-Z.
- International students that are attedning the field trip can go directly to the library in period 1 or 4. Students who received a letter should bring their form with them to the Library.

The nurses would like to check in with every student though to make sure that they get to everyone on their list. If a student is not on their list, therefore not requiring immunization, then they will be sent back to class right away.

- Please bring your forms to the Library when your group is called down.
- **Also, please report to the Library for a check in even if you did not receive a letter or forgot to bring your form.**
- It goes without saying that there will be disruptions to your classes.
- We will do our best to keep the flow of students moving as efficiently as possible.
- Our goal is to get through all of the grade 8 & 9 classes during period 1, grade 12's during period 2, grade 11's in period 3, and finish the day with grade 10's and late students in period 4.
