<div>Dec 20</div> <div>Mr. Richardson</div>	<div><u>Female Athlete of November: Tessa Phillips.</u></div> <div>Tessa is a grade 8 student who competed on the Cross-country team this fall. She competed all season in the Jr category as a grade 8 against gr 10's and was on the podium in every race. In November she led our Jr girls' team to Provincials where she finished a very respectable 77th in the grade 8-10 category. Throughout the season she was dedicated to training and helping her fellow teammates. We are looking forward to seeing what this young athlete will do in years to come!</div> <div><u>Male Athlete of November: Nolan Marchetti.</u></div> <div>Nolan was a member of the Grade 8 Boys Rugby team this fall. Do not let this young man's size fool you. He tackles ferociously, frequently taking down opponents twice his size. He also happens to be a magician with the ball in hand. Nolan can pass the ball 20 meters off both hands, kicks the ball with expert precision and puts his teammates through holes in the defensive line. He is the definition of french rugby with his signature "French flare." He put up 40 of the teams 80 points in a fall game vs Central. Rugby at Mountain is in good hands with this young man at the helm.</div> <div><u>Coach of November: Mr. Ryan</u></div> <div>Mr. Ryan did it again. He has built a cross country dynasty here at Mountain. His teams were the only ones to bring home banners this fall, with a total of 4. His Sr Girls, Jr Girls and Jr Boys teams took home district banners, with the Jr boys adding a Fraser North Zone banner into the haul. Mr. Ryan creates excellent training programs that clearly prepare his athletes for success. He will be back at it this spring with the Track and Field team, hopefully with an assistant coach this year.</div>
