

ConnEx 9 Application 2020-2021

Thank you for your interest in this exciting learning opportunity. Please complete this form so we can learn more about why you are interested in ConnEx 9.

This cohort is designed to embrace the redesigned curriculum for students in grade 9 who are interested in community and inquiry-based learning.

Students need to be curious, embrace physical activity, capable of working with others and interested in making community contributions within the school and beyond the classroom walls. Working in a Science, Social Studies, English, and Physical & Health Education cohort, students will explore the environment of the City of Burnaby and neighboring communities. Teachers will work collaboratively to create cross-curricular connections and experiential opportunities. Field experiences be provided and facilitated by scheduling the cohort classes so as to allow for flexibility with off-campus days.

Name _____

Student Number: _____ Mobile/Home Number: _____

Email: _____
