PARKING – INFORMATION

It is important that we keep congestion on the driveway to a minimum.

Our buses for special needs students are the priority for drop off.

Please use the cul de sac or other areas offside for drop off.

We are asking that pickup also occurs offsite to minimize the number of students gathering in front of the school.

There has also been an increase in drop offs occurring in the parking lot.

The parking lot is for staff and student parking only.

Students should NOT BE DROPPED OFF in the parking lot at any time as it is unsafe.

We acknowledge and thank the Coast Salish Nations of Musqueam, Tsleil-Waututh and Squamish on whose traditional territories we teach, learn and live.
