**Faculty of Land & Food Systems (LFS) at UBC - Virtual Open House**  
**November 16 – 21, 2020** - Our programs in LFS are ideal for students who want to pursue a science program that focuses on using that knowledge to have social impact. This is where science meets society's urgent needs. We need to protect our water, build resilience into our food supply, and figure out how to do it all with rising temperatures and shifting weather patterns. We need to figure out how better to feed humans, how better to understand the way our food nourishes and powers us, and how better to care for our food resources.  
**Taste of LFS** is a week-long **virtual** series of interactive workshops, presentations and social media content for anyone interested in applying to the Faculty of Land and Food Systems (LFS) at UBC. We will answer your questions about applying to UBC and help you to determine if an LFS program is right for you. For more info and to register go to : <https://www.landfood.ubc.ca/prospective/lfs-events/>

**UBC BCOM Fall Preview 2020 hosted by the UBC Sauder School of Business**  
The event will be taking place on **Thursday November 19th, from 4:30 – 6:00pm** and it will take place on Zoom this year.  
This online event highlights the BCOM program and gives prospective students information on applying, as well as a chance to meet some of our current students, professors and staff. We invite counselors and teachers to encourage their students and classes to take advantage of this opportunity to explore the possibilities that exist for them in the UBC Sauder BCom program. PARKING ~ INFORMATION

It is important that we keep congestion on the driveway to a minimum.  
Our buses for special needs students are the priority for drop off.  
Please use the cul de sac or other areas offside for drop off.  
We are asking that pickup also occurs offsite to minimize the number of students gathering in front of the school.  
There has also been an increase in drop offs occurring in the parking lot.  
The parking lot is for staff and student parking only.  
Students should NOT BE DROPPED OFF in the parking lot at any time as it is unsafe.
