No Student First Aid

DAILY HEALTH CHECK

Key symptoms of illness	Do you have any on the following key symptoms?	Circle One	
	Fever	Yes	No
	Chills	Yes	No
	Cough or worsening of chronic cough	Yes	No
	Shortness of Breath	Yes	No
	Loss of sense of smell or taste	Yes	No
	Diarrhea	Yes	No
	Nausea and vomiting	Yes	No
International Travel	Have you returned from travel outside of Canada in the last 14 days	Yes	No
Confirmed Contact	Are you a confirmed contact of a person confirmed to have COVID-19?	Yes	No

If the student answers "YES" to one of the questions included under "Key Symptoms of Illness" (excluding fever), the student should stay home for 24 hours from when the symptom started. If the symptom improves, you may return to school when you feel well enough. If the symptom persists or worsens, seek a health assessment.

If you answered "YES" to two or more of the questions included under "Key Symptoms of Illness" or the student has a fever, seek a health assessment. A health assessment includes calling 8-1-1, or a primary care provider like a physician or nurse practitioner. If a health assessment is required, the student should not return to school until covid-19 has been excluded and your symptoms have improved.

Check BCCDC's Symptoms of COVID-19 regularly to ensure the list is up to date.

Announcements	
	Grads 2021 can book their individual and small group photo session with Artona now. Artona's mobile studio will be set up at Burnaby Mountain Secondary parking lot from January 4 -16th 2021 . Please book using this link HERE

	<p style="text-align: center;"><u>Volunteer Burnaby – Call for Virtual Volunteers!</u></p> <p>Do you have a passion for teaching others? Do you enjoy performing or playing a musical instrument? Do you carry a set of skills you would like to share with others? We are looking for volunteers to take part in our 'VB Virtual Series' project aimed towards providing members of our community with entertainment and a sense of connection. We are accepting submissions from volunteers in the form of tutorials, classes, informative webinars, or performances. This content is shared online as a weekly event that the entire community can enjoy from their homes.</p> <p>There are no limitations as to what type of content we are accepting - use your imagination! Here are some examples for what kind of content you could send us are:</p> <ul style="list-style-type: none"> • Performances - musical instruments, dance, spoken word, or art performances! • Tutorials - sports, design, mechanics, textiles, art, music, writing, film, photography, organization, etc. • Webinars - informative classes on any topic that you are interested in! • To sign up, click HERE
 <p>© Can Stock Photo</p>	<p style="text-align: center;"><u>Mini Med School Symposium</u></p> <p>Join us virtually as we explore the newest discoveries and innovations in health research. At the first online Mini Med School Symposium, you'll have the opportunity to learn about the latest medical research happening in BC. and explore the diverse careers available in science and medicine. The Mini Med School Symposium will be hosted online in March 2021 over two half days.</p> <p><i>Please note: Due to space restrictions, students will only be eligible to register or participate in one of the days:</i></p> <p>Day #1: Scientific Discoveries Wednesday, March 3, 2021 1:00 – 4:30 pm Day #2: Transforming Care Thursday, March 4, 2021 1:00 – 4:30 pm</p> <p style="text-align: center;"><u>Mini Med School Symposium</u></p> <p>Interested in Participating? - The Mini Med School Symposium will be a virtual learning platform held outside the classroom and will be hosted on a school day. Students will be expected to make their own arrangements to miss an afternoon of classes and have the technology necessary to participate. Participation is free but space is limited to 100 students per day. Due to space restrictions, participants will only be eligible to register for a single day. To keep things fair for all students, participants will be selected based on a lottery draw. A registration form will be posted from January 11 to January 15, 2021.</p> <p>You will have 5 days to complete and submit the online form. Register HERE</p>
	<p style="text-align: center;"><u>Women in Science Virtual Event</u></p> <p>BC Children’s Hospital Research Institute invites you to join us virtually as we celebrate International Day of Women and Girls in Science on Thursday, February 11, 2021. Become part of the conversation by following #WomenInScience on Instagram! In 2015, UNESCO and UN Women established an annual day to honour the important role women and girls play in science and technology. Together they are making a <u>global call</u> to “<i>smash stereotypes, defy gender biases and defeat discrimination that hold women and girls back in STEM fields.</i>” At BC Children’s Hospital Research Institute, we are proud to support our inspiring female leaders who are making groundbreaking discoveries and innovations in research.</p> <p>Women in Science will be held on a virtual learning platform. Registration will be accepted on a first-come, first-serve basis. Space is limited to 200 participants. The registration form will go live on Monday, January 18 at 4:00 pm.</p> <p>Register HERE</p>
