No Student First Aid

DAILY HEALTH CHECK

Table with 4 columns: How are you today?, Do you have any on the following key symptoms?, and two columns for Circle One (Yes/No). Rows include symptoms like Fever, Chills, Cough, etc., and travel/contact questions.

If the student answers "YES" to one of the questions included under "Key Symptoms of Illness" (excluding fever), the student should stay home for 24 hours from when the symptom started.

If you answered "YES" to two or more of the questions included under "Key Symptoms of Illness" or the student has a fever, seek a health assessment.

Check BCCDC's Symptoms of COVID-19 regularly to ensure the list is up to date.

	<p style="text-align: center;"><b><u>Burnaby Youth –Youth Mentor Program</u></b></p> <p>Burnaby Junior Youth is looking for high school students (ages of 15-18) who want to get involved in their community. The program trains teens and young adults to mentor younger peers aged 11 to 14, through the junior youth program. Each week you will meet with your junior youth group for 2 hours, to go through lessons and activities, and to continue growing your friendship with them. The junior youth program uses a curriculum that is designed with the aim of helping 11-14 year olds develop their language abilities, excel in school, and become active agents of positive change in their communities. As a youth mentor, you work to create a joyful environment and guide junior youth through this curriculum, with stories containing meaningful themes and activities, arts, drama, and community service projects.
