<p><u>Mountain Reports</u></p> 	<p style="text-align: center;"><u>Student Learning Survey 2020/2021</u></p> <p>Student Learning Survey 2020/2021 The Provincial Student Learning Survey is unique in its scope, size, and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to the school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.</p> <p>Early in 2021, the Student Learning Survey will be administered to students in grades 10 and 12, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included. The survey can be completed electronically and can be accessed on the Internet here</p> <p>Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link with or without an anonymous login code by selecting the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the Results section. The e-survey site will be open until April 30th. If you have any questions, please contact the school at 604-296-6870</p>
