	<p style="text-align: center;"><b>Collaborating with Others</b></p> <p>I can take leadership in a discussion or collaboration and focus on deepening or transforming our thinking. I seek consensus and focus on collective results.</p>	
	<p style="text-align: center;"><b>Connecting and Engaging</b></p> <p>I can accomplish my purpose with a wide range of audiences, including those I do not know.</p>	
	<p style="text-align: center;"><b>Cooperation</b></p> <p>I can appreciate interdependence and cooperation, commit to needed roles and responsibilities, and are conscientious about contributing</p>	
	<p>I can negotiate respectfully and follow through on plans, strategies, and actions as they share resources, time, and spaces for collaborative projects. And commit to impact and collective success, assess group results and processes, and share in the recognition of achievements.</p>
