Canadian Space Settlement Design Competition May 14-16, 2021

Open to all students between the ages of 15-18. This year the competition will be held virtually due to COVID, and a Canadian team is still guaranteed its place in the ISSDC Global Finals hosted at the NASA Kennedy Space Center! This competition allows high school students to experience a real world proposal activity that requires understanding customer requirements, developing a compliant solution and communicating their proposal – Participants receive a Request for Proposal outlining a future scenario for a space settlement and they form “companies” to create a possible design for a Space Settlement.

How do I prepare for the competition? Do I need previous experience? - No, you don’t - just show up! There will be an introductory session before the competition begins, and our volunteers will be around to help you as technical mentors.

Do I need to sign up with a team? - No, you sign up individually. Teams will be formed by the organizers and added to discord servers ahead of time.

What is the prize for winning? - Winning the competition earns you a chance to compete at the International Final hosted at NASA’s Kennedy Space Center in Florida (contingent on local travel legislations due to COVID-19). Find out [more](#) and register click [here](#)

The competition is completely FREE, all fees are waived due to COVID

Work Experience Opportunities

UBC Geering Up (Leader-in Training)

The UBC Geering Up STEM Leadership Program (STEM-LP) is a year-long initiative focused on the professional development and training of high school students as a STEM Ambassador. The summer component of the program will focus on training and professional development in addition to volunteer work with Geering Up. Our Leaders-in-Training support our Instructors in leading three one-week-long daily STEM camps with up to 20 youth over the summer. Camps will be held through online platforms. Leaders-in-Training are expected to be in attendance for four days of training prior to the commencement of the summer season, and to be in attendance at a weekly Friday afternoon meeting in July and August. However, L.I.T.s must volunteer for three of the nine summer camp weeks to successfully complete the program. For more information and to apply click [HERE](#)

ROOT YOURSELF Youth Program Participant (ONLINE) Place des Arts

Root Yourself is an online program for girls and non-binary youth in grades 10-12 in BC to connect and immerse themselves in the community. Join a round table talk about different topics that are relevant to you such as: pop culture, relationships, social consumption, self-care, and more! This is a pilot program and we are looking for participants to join the program as well as give feedback on how the program is going and how it could be improved for the future. Take this opportunity to shape the direction and development of this program to support other youth in the future.

Program schedule: **Thursdays 5:30-7:00pm; April 29 - June 17**

To sign up email ness@lowentropy.org with the subject title - Root Yourself Volunteer Participant.

SCHOOL GOALS:

	<p><u>BC Technology for Learning Society</u></p> <p>BC Technology for Learning Society is a local company that refurbishes digital devices donated from government, private business and individuals for use by schools, libraries, not-for-profit organizations, Indigenous communities and eligible low-income individuals. This program is funded by the Government of Canada. Students are paired up with a technician to be mentored and then given the opportunity to work more independently. A supervisor is always on site to ensure technical questions can be answered, work flow progresses, and that the health and safety of all workers are looked after. We have spots available during Quarter 4 weekday afternoons from 1pm – 4pm (one or two days per week, for 4 – 6 weeks) as well one week, M-F, 8am – 4pm summer spots. If you are interested, please see Ms Gingras in the Career Centre.</p>
	<p><u>Pedalheads Junior Instructor</u></p> <p>Our Junior Instructor program accepts applicants who are interested in gaining work experience in children’s recreation by volunteering at our spring bike camps. Our bike camps concentrate on bike safety and skills for kids ages 2 - 12. We have 6 levels teaching everything from training wheels to trail riding. During camp, volunteers will be paired up with an experienced instructor to provide leadership, motivation, encouragement, and comfort to the kids under our care. Due to covid-19 volunteers, this year will only be allowed to volunteer with classes going on off-site rides (Levels 4-6) or Pedalheads Trail. There are camp locations in Burnaby, Port Moody, Coquitlam and Vancouver. Please note that applying does not guarantee a spot. We will email you in the upcoming weeks to confirm your application to be a volunteer. <i>Pedalheads is committed to creating and upholding a diverse, inclusive and equitable environment that is respectful and welcoming to everyone.</i> For more information and to apply click HERE</p>

Locations in Burnaby, Coquitlam and Vancouver. Volunteers may have any of the following responsibilities: Assisting staff with coaching and supervising children at camp, Equipment collection and maintenance, General help around camp, maintain a clean camp environment and help staff meet all safety protocols. To apply click here</p>
	<p><u>BC Conservatory of Music – Music Festival Adjudicator Assistant</u></p> <p>The Festival takes place July 2 - 17, 2021. This is a fantastic opportunity for any students interested in music. The Student Work Experience program provides an opportunity for students to gain work experience credits. For those who play an instrument, this is a particularly good opportunity. The classes will involve numerous performances in a competitive atmosphere followed by professional feedback from the judges. This year Music Festival 2021 will look a little different than it has in the past, however it will continue to be an in-person music festival. Social distancing and sanitizing practices will be in place in order to provide a safe space for all of our participants. Each shift at the festival is approximately 6 hours in length (Saturdays, up to 8 hours) with the appropriate breaks. To apply click here</p>

Global Coffee Fundraiser

The dance and drama programs here at BMSS are back again fundraising. This time with "Global Coffee" a local Maple Ridge company. This fundraiser is one that the Drama department used two years ago when raising money for a Theatre trip to NYC (ahhh remember traveling?...). As a coffee drinker myself, I really enjoyed their blends and top-notch customer service. This year they have added in Hot Chocolate as well, for those non-coffee drinkers out there.

Every year our students participate in many fundraising events that go towards financing our theatre shows, costuming, field trips/zoom in guest artists, and other opportunities for students to grow in their knowledge of theatre. Normally our students go out into the community with sponsorship letters for donations, but as our community is hurting a bit this year with the pandemic, we decided to try a different route to raise some money.

We know that many of you have ordered from school fundraisers in the past and loved the products you received so we wanted to mix things up, and fuel you with caffeine to survive the rest of the school year (cream and sugar not included).

Ordering is super simple. Click [here](#) put your items in your cart and when you are ready to checkout, follow the on-screen prompts. Select what you want, pay and it will be shipped to the school here for pick-up. It's that easy!

All orders are due by **May 11th** and we hope to have orders available for pick-up from the school on **May 18th**. Our students really thank you for your support!
