This is a 4 credit course that takes place after school on Tuesdays and Thursdays and provides students with performance and extracurricular opportunities. Global Coffee Fundraiser

The dance and drama programs here at BMSS are back again fundraising. This time with "Global Coffee" a local Maple Ridge company. This fundraiser is one that the Drama department used two years ago when raising money for a Theatre trip to NYC (ahhh remember traveling?...). As a coffee drinker myself, I really enjoyed their blends and top-notch customer service. This year they have added in Hot Chocolate as well, for those non-coffee drinkers out there.

Every year our students participate in many fundraising events that go towards financing our theatre shows, costuming, field trips/zoom in guest artists, and other opportunities for students to grow in their knowledge of theatre. Normally our students go out into the community with sponsorship letters for donations, but as our community is hurting a bit this year with the pandemic, we decided to try a different route to raise some money.

We know that many of you have ordered from school fundraisers in the past and loved the products you received so we wanted to mix things up, and fuel you with caffeine to survive the rest of the school year (cream and sugar not included).

Ordering is super simple. Click [here](#) put your items in your cart and when you are ready to checkout, follow the on-screen prompts. Select what you want, pay and it will be shipped to the school here for pick-up. It's that easy!

All orders are due by **May 11th** and we hope to have orders available for pick-up from the school on **May 18th**. Our students really thank you for your support!
