Recently, student council members visited classes to raise funds for the Residential School Survivors Society. This was one step that we thought we could take in support of reconciliation. We would like to thank everyone for their support and generosity during this campaign. Because of this support from staff and students at BMSS, we were able to mail a donation of \$1100 in support of the work done by this great organization. Although we are pleased that we could make this donation, council recognizes the need for

ongoing learning, advocacy and support as we continue to work towards reconciliation.
