Post Secondary Info Sessions

University of Victoria

If you're thinking about applying for undergraduate studies at UVic, join us for an online Discover UVic event and learn what it really means to be a UVic student. More than just getting into university, we'll explore the possibilities and what your education can be. You'll hear about our co-op program and why hands-on learning is so important, how you can engage with your surroundings, and how our community can inspire you to succeed. The next sessions are : September 29 @ 4pm and October 14 @ 5pm. Register at : <https://www.uvic.ca/undergraduate/tours-events/events/index.php>

Kwantlen Polytechnic University – Bachelor of Science in Nursing

The Bachelor of Science in Nursing (BSN) program is a full time cohort program that prepares nursing students to work with individuals, families and communities with varying health and health promotion needs across diverse settings. Caring and health promotion lay the foundation for the BSN curriculum. Nursing practice experiences are essential for the BSN program. The program prepares nursing students to practice with clients in a wide variety of institutional and community settings. Upon graduation, students will be eligible to apply for registration with the British Columbia College of Nursing Professionals (BCCNP) and to write the National Council Licensure Examination (NCLEX) in order to become a practicing Registered Nurse. Join us at the upcoming information session to learn more admission requirements and future intakes. Tuesday September 28 5pm – 6pm.
