### NOT RETURNING TO BURNABY MOUNTAIN SECONDARY 2022-2023

Check here if you are NOT planning on returning to Burnaby Mountain next year.

If you will NOT be returning, what school will you be attending? \_\_\_\_\_

### COURSE REQUESTS 2022-2023

The courses listed below have been selected by you. Check your course selection carefully. Any changes must be made now as course changes will not be allowed in September. If there is an error in your course requests, put a single line through the incorrect course and write the correct course choice to the right of that course.

All students must take 8 courses and select 2 alternates. If the courses you have chosen are cancelled or do not fit into your schedule, an alternate course will automatically be assigned.

For Grade 9 - 12: online courses do not count as part of your 8 courses but off time table courses do.

Grade 11 - please note that the CP course is just for Work Experience information and is not a scheduled course.

**Reminder: All students currently in Grade 10 and under are required to fulfill a 4 credit Indigenous-Focused grad requirement.**
