

PROFICIENCY-BASED REPORTING

Burnaby Mountain Secondary School

October 3, 2022

Rationale

- Ministry of Education is implementing this format for the 2023-2024 school year
- Burnaby South and Burnaby Central were pilot programming this format last year
- Elementary schools already adopted this program; parents are aware and familiar with this format
- WHY?
 - BIG IDEAS
 - CURRICULAR COMPETENCIES
 - Assessing SKILLS versus content

Ministry of
Education

Proficiency Scale

Emerging

The student demonstrates an initial understanding of the concepts and competencies relevant to the expected learning.

Developing

The student demonstrates a partial understanding of the concepts and competencies relevant to the expected learning.

Proficient

The student demonstrates a complete understanding of the concepts and competencies relevant to the expected learning.

Extending

The student demonstrates a sophisticated understanding of the concepts and competencies relevant to the expected learning.

New Format

- Overall Proficiency
- General Comment
 - What was covered in the course
- Personal Comment
 - Personalized, strength-based comments on student progress
- Competency Report
 - Proficiency based report card using competencies

Course: MATHEMATICS 8
School: Burnaby Central Secondary

<https://curriculum.gov.bc.ca/curriculum/mathematics/8/core>

GENERAL COURSE COMMENT: In Mathematics 8 we have studied the topics of Percents, Rates, Ratios & Proportional Reasoning and Fractions.

PERSONALIZED STRENGTH BASED COMMENT: Tracy works well in small group settings, helping her classmates when they are stuck and asking them for help when she needs it. Tracy participates fully during class discussion, and works well during independent work time.
