BC RCMP Youth Advisory Committee

The BC RCMP Youth Advisory Committee brings together up to 30 youth aged 14 to 18 from all across British Columbia to discuss important issues that they face in their respective communities. The purpose of the BC RCMP Advisory Committee is to represent the youth voice within the RCMP and to gain insight on how the RCMP can deliver effective youth strategies and initiatives. For their participation, youth will: be eligible for a letter of reference and play a vital role in the shaping of how the RCMP supports youth. Pick up an application in the Career Centre. Completed applications must be returned by **October 31, 2022**.

Learning Buddies

Learning Buddies Network is a non-profit organization dedicated to helping elementary school students develop essential literacy and math skills through free one-on-one, after-school mentoring in a fun group setting. We are looking for volunteers for our Fall programs. Our online fall program runs October to December: Monday & Wednesdays, 3:45-5pm or 5:20 – 6:35pm, or Tuesday and Thursday 3:45 – 5pm or 5:20 – 6:35pm.

To apply go to: <https://www.learningbuddiesnetwork.com/mentor-application-form>

Vancouver Asian Film Festival

The Vancouver Asian Film Festival is looking for volunteers to help out at our 26th year festival from November 3 – 13th. We're looking for help with set-up, take down, ticketing, ushering among other tasks. Shifts are usually 4 to 6 hours long with plenty of break time, water & snacks provided. You may catch VAFF event on your day-off or during your shift break time, but space is limited. Come make friends, watch new movies and feel good about giving back to your community :). Please apply online on our site: <https://vaff.org/volunteering/> . If you are accepted as a volunteer, please stop by the Career Centre to pick up paperwork, BEFORE you volunteer, so you can count this towards your Work Experience hours.

Canadian Blood Services – Blood Donor Clinic

SCHOOL GOALS:

Goal 1: To foster an educated, responsible and reflective community of Digitally Literate Citizens.

Goal 2: To increase student awareness, understanding and practice of healthy living.

Volunteers are responsible for greeting donors with a smile, making conversation, and accompanying them throughout their donation process. The care and attention volunteers give is very often a key reason why donors return. As one of the last faces donors see on their way out, volunteers play a critical role in the success of future blood donor clinics. Pick up an info sheet in the Career Centre. To apply go to : <https://app.betterimpact.com/Application?OrganizationGuid=f100c7a4-7d7f-4f35-816b-9e895866e0ae&ApplicationFormNumber>

SIYSCorps Program - Virtual Volunteering Opportunity

The **SIYSCorps** program is looking for passionate youth between the ages of 15-30 years who are excited to give back to their communities, gain experience and build a better Canada. Our program brings together a diverse group of motivated youth to become active community ambassadors. Youth may also design and participate in their own funded community project! We provide: 4-6 weeks of free virtual skills workshops. Youth can customized volunteer placement at an organization of their choice that fits their interest and skills. To apply go to : <https://www.volunteerconnector.org/surrey/progressive-intercultural-community-services-society/volunteer-ambassador-siyscorps-full-virtual-volunteering-opportunity-2>

Burnaby Hospice Society Thrift Store

6843 Kingsway, Burnaby - Volunteers perform a wide range of duties from sorting and pricing donations and checking electronics and small appliances to helping customers or being a cashier or wrapper. To apply go to : <http://burnabyhospice.org/volunteer/thriftstore/>

Member of Parliament Youth Council

Are you interested in a career in politics or public service? Member of Parliament Terry Beech for Burnaby North-Seymour is renewing his non-partisan Constituency Youth Council this September, and applications are now open for high school students. This unique opportunity offers young people the chance to interact and network with political stakeholders and community leaders. The program is tailored to match that year's cohort to ensure the activities meet the needs of our group. Depending on the group's comfort level, it will be a virtual or hybrid meeting. Here is some information about MP Beech: <http://terrybeechmp.ca>. To apply go to: <https://forms.gle/Vs731EBkMURfv8W68> Once you are accepted as volunteer, please come to the Career Centre to get paperwork so that you can count this towards your work experience hours.

Career Exploration and Leadership Development (these also count for Work Experience Hours – but you **MUST** get paperwork from the Career Center **BEFORE** you go)

SFU STEM Speakers Series - Chemistry

The Science, Technology, Engineering, and Mathematics (STEM) Speaker Series provides secondary school students with the opportunity to meet and interact with university students, faculty members, and/or working professionals in STEM fields. For the October talk, our speaker Catherine Chow will demystify the intriguing field of chemistry and its applications. Join us on October 22 from 1:00 – 2:00pm on Zoom, for an Au-some experience! Catherine Chow is a Chemistry instructor and Educational Consultant at Kwantlen Polytechnic University. She completed her B.Sc. and M.Sc. degrees at UBC in organometallic chemistry. Her research at UBC focused on the development of systems for catalytic C-H activation. To register go to : <https://websurvey.sfu.ca/cgi-bin/WebObjects/WebSurvey.woa/wa/survey?432954923> Registration closes at 11:59pm on Monday October 17th.

Discovery Day @ BC Children's Hospital Research Institute:

Discovery Days in Health Sciences is a one-day event held on Wednesday, November 30th, where Grade 11 students have the opportunity to explore a variety of career options in medicine and health sciences. Participants gain a clearer picture of what it would be like to be a health professional by interacting with researchers, clinicians and educators in their real-life work setting. The event includes: **a dynamic keynote lecture, an opportunity to attend two interactive workshops pre-selected from a catalogue of options and a 'Health Pros Tell All' career panel discussion.** **Come by the Career Centre if you are interested in signing up.**

Try/CATCH (Computing and Technology Conference for Her)

Try/CATCH is a FREE annual event put on by SFU Women in Computing Science (WiCS) for high school girls/non-binary students. This year's event is on October 22 from 9am – 5:30pm at SFU. Throughout the event, students will participate in a variety of hands-on workshops in programming, robotics, microcontrollers,

SCHOOL GOALS:

- Goal 1: To foster an educated, responsible and reflective community of Digitally Literate Citizens.
- Goal 2: To increase student awareness, understanding and practice of healthy living.

and other applications of code. A keynote and panel session provide students with opportunities to hear from or network with females studying or working in technical fields. To register go to

Burnaby Neighbourhood House – Future Leaders Training to Work with Children

Burnaby Neighbourhood House are currently running a Future Leaders program for youth interested in teaching, ECE or any another childcare setting. The program is 18 weeks total. Starting with 8 weeks of training (once a week) including a High Five certificate, and other licensing trainings required to work in a childcare setting. After the trainings, students are placed in one of our childcare centers to gain hands-on experience for 10 weeks (once or twice a week depending on the student's availability.) Students receive a certificate for the trainings and the work experience, and are eligible to be hired by our agency in any of our childcare programs. The **cost is \$100** to pay for the High Five certification facilitator. The program runs Mondays from 4:00-5:30pm, starting October 17th, at our south house location at 4460 Beresford St. #100, Burnaby. We also run a program on Wednesdays from 4:00-5:30pm, starting October 19th, at our north house location at 2055 Rosser Ave, Burnaby. To apply pick up an application in the Career Centre.

JA Business Entrepreneurship Company Program

JA Company Program is a 16-week course that allows students in grades 10-12 to learn about business and entrepreneurship. Students from across B.C. – Join us this fall and walk away with the tools and resources required to build your own start-up! You will be placed in a team and will work collaboratively with other students to learn about human centered design thinking, creative product development, product life cycles, e-commerce, app development and more. You'll also develop your teamwork, decision making and critical thinking skills. There are both On-line and In Person Cohorts. For more info and to apply go to: <https://jabca.com/companyprogram/>

Minerva Learn to Lead TRADES Programs:

Learning to Lead™ is a free program that provides Grade 11 students (who identify as female) with the virtual opportunity to increase confidence and explore their leadership potential while creating a network who will support them along their educational and career journeys. There are two Fall programs, one with a focus on STEM careers and the other with a focus on TRADES. Participants develop their confidence through workshops that identify their key strengths and core values. They leave the program with greater self-awareness, and the inspiration to take on new challenges and opportunities. The 3-day online **program runs November 25-27 (TRADES)**. To learn more and apply go to: <https://minervabc.ca/learning-to-lead/>. **Applications due November 14 (TRADES)**.

Youth Empowering Youth: FREE Online VIRTUAL Leadership Program

Youth Empowering Youth is a division of Low Entropy, a non-profit organization that is making personal growth accessible to all. Our Youth program consists of nine 1.5-hour sessions. All our sessions are currently being held online via zoom. Each class shares a new concept to help students take accountability for their thoughts, feelings and actions, thus moving them into a place of confidence, security, and self-assurance. The program runs October to December. There are four different cohorts: Mondays 5:30 – 7:00 / Saturdays 10:00 – 11:30 / Sundays 10:00 – 11:30 or 1:30 – 3:00. For more info and to sign up for the FREE program go to: <https://lowentropy.org/programs/youth-empowering-youth/>. Once your registration has been accepted, please stop by the Career Centre so we can give you paperwork to count this for work experience hours.

SCHOOL GOALS:

- Goal 1: To foster an educated, responsible and reflective community of Digitally Literate Citizens.
Goal 2: To increase student awareness, understanding and practice of healthy living.

******if you apply online for any of these opportunities, please stop by the Career Centre and let us know so that we can arrange paperwork for you to count this for Work Experience******
