Dear Burnaby Mountain School Community,

This year's grad class has been doing the best they can to fundraise for their dry grad event and can use your support. Ticket prices do not cover all the costs of dry grad. Any funds raised will go to putting this event on including decorations, food, entertainment and bus transportation, and more – a tradition we would like to continue! Please see below how you can participate in supporting this amazing event for our grads through the fundraisers below.
