OUTDOOR AQUATIC SERVICES AND FACILITIES STRATEGY

Share your feedback about your experience with existing outdoor aquatic services as well as future facilities development in Burnaby. The City's four outdoor pools are more than 60 years old and are reaching their end of life. As we consider the options for pool replacement, we will also evaluate wading pools, spray pads and associated washroom facilities. Your feedback will help inform the design and locations of future waterplay in Burnaby.

Take our survey by September 28, 2023 or join us for an open house (no registration required):
