Vancouver Asian Film Festival 2026

The 28th edition of the Vancouver Asian Film Festival (VAFF) is being held between **November 5-15** this year. We're thrilled to invite you to become a vital part of the Vancouver Asian Film Festival team. We are actively recruiting volunteers now. Responsibilities include: Set up and tear down rooms, stage, signage, equipment, etc., greetings, box office, crowd control, check-in registration, and answering guest questions, ushering and assisting with the microphone during audience Q&A, as well as clean up. Shifts are usually 4 to 6 hours long, with plenty of break time, water, and snacks provided. To apply to be a volunteer go to: https://vaff.org/volunteering/

Total Therapy Physio, Sports & Wellness Clinic

Are you interested in exploring a career in kinesiology, physiotherapy, or sports medicine? The Total Therapy Metrotown Clinic is open to hosting work experience students this Fall after school on Fridays. Come to the Career Centre if you are interested.

Grouse Mountain Snow School Volunteer - Instructor Development Program

Volunteers will work with certified instructors and assist with the children's lesson programs in both our camps and Ski Wee departments. We are looking for individuals that enjoy working with kids and have a desire to learn more about the world of instruction as well as creating an amazing guest experience.
Required Qualifications and Abilities
Include: the ability to be self-motivated with strong communication and teamwork skills, the ability to confidently ride all trails at Grouse Mountain (required) the ability to repeatedly lift 20.4 kg (45 lbs.) comfortably, able to communicate verbally in a clear and concise manner, able to work in all weather conditions. Multilinguals are an asset.
For more info and to apply go to: https://jobs.dayforcehcm.com/en-US/northlandproperties/GROUSEMOUNTAIN/jobs/46485

Vancouver Food Bank – Winston Street Location (near Costco)

Sign up to volunteer at the Winston Street warehouse – help sort the hundreds of donations that arrive at the foodbank every day. Most available shifts are during school hours, so students who apply should plan to volunteer on Pro-D Days and Winter Break. There is also one evening shift per month, and occasional Saturday shifts. **APPLICATIONS OPEN ON OCTOBER 30th**. Apply online at: https://foodbank.bc.ca/volunteer/individual-volunteers/

Career Exploration Work Experience (Pay to attend Programs)

(Yes – these also count for work experience hours – make sure you get paperwork from the Career Centre BEFORE you go)

BCIT Biotechnology Career Awareness Workshop

Grade 11 & 12 Students - are you interested in a hands-on lab experience at BCIT? This biotechnology workshop includes a gel electrophoresis lab, a DNA fingerprinting lab, as well as a visit to a local biotechnology company. Come learn about the biotechnology industry in a fun and engaging way. The workshop runs from **December 7-11**, 2026. (you will miss school for the week). The cost of the program is $263. Visit the Career Centre for more information and an application. Application deadline is November 9.

EduTech at UBC: Examining AI Tools

The debate continues—is AI helping or harming young learners? At Edu Tech, we'll explore the benefits and limitations of AI in STEM education by comparing AI-generated outputs with human-created work. We'll put AI to the test for efficiency, accuracy, and relevance, and discover where it succeeds—and where it falls short. Then, you'll design your own AI-powered learning tool tailored to your needs while exploring responsible and critical uses of AI in education. This afternoon session will be held from 1 pm to 4 pm for participants in Grade 10-12 only on **November 14th** from 1 – 4pm at UBC – Orchard Commons. Cost is $10. To register go to: https://tinyurl.com/mrx26xpc

Mt Seymour Ski School Apprentice Instructor Program

The Apprentice Instructor Program is a selective, application-based opportunity designed for individuals who are eager to begin their journey toward becoming Snow School Instructors at Mt. Seymour. Applicants must demonstrate a strong commitment to learning, leadership, and personal growth. Only those who meet the program's criteria and are accepted through the application process will be invited to participate. This program is a full-season commitment with 2 hours of on-snow training per week, minimum 3 volunteer dates over the Winter holiday period, and one full-day volunteer shift on *either* a Saturday or Sunday for 9 weeks from January to mid-March (see dates below). It will focus on improving your skiing or riding technique to meet CSIA/PSIC or CASI level 1 standards, along with your teaching and assessment skills, to prepare you for your instructor certification. Program participants will have the opportunity to achieve their volunteer hours working with our Bear Cub (Age 4-7) programs during the holidays / at weekends. This will allow program participants to learn from our snow pros in a real lesson environment. Cost to participate: $200. For more info and to apply go to: https://mtseymour.ca/apprentice-instructor-program

Career Exploration and Leadership Development

(these also count for Work Experience Hours – but you MUST get paperwork from the Career Center BEFORE you go)

SFU Faculty of Environment Discovery Day

Join Simon Fraser University professors and students at the Burnaby campus for a free, fun and informative event on Friday, October 23 (Pro-D Day). Through hands-on mini lectures and lab activities, get a glimpse of what you can learn in the Faculty of Environment. Activities have limited capacity and fill up fast; register now to reserve your seat! Workshop titles include Secrets of the Dead: Solve a Mystery Like a Forensic Anthropologist, Workshopping the Climate Crisis: Solutions to Achieve Global Climate Goals, Surviving the zombie apocalypse: planning for resilient, equitable and food secure cities, Ancient DNA: Unlock the genetic secrets of the past and Scan that artifact! 3D Technology in Archaeological Research. To register an pick the workshops you want to attend go to: https://www.sfu.ca/fenv/students/prospective-students/undergraduate/discovery-day.html

Make Science Happen: Explore Your Future in Science at SFU

Are you curious about where a degree in science could take you? Join us for Make Science Happen: Explore Your Future in Science at SFU, on Saturday, October 24, 2026, from 1:00 – 4:00 PM. This afternoon is designed to give you a taste of life as an SFU Science student. Parents and supporters are welcome to attend and explore SFU alongside you.

Experience short, engaging lectures across our 40+ science programs, and take part in guided tours of our labs and facilities to see where discovery happens. Get your questions answered by Claire Wilson, SFU Science Recruiter, and a fellow student speaker. From co-op and career opportunities to campus life and research - this is your opportunity to hear what student life is really like. Need a hand with your SFU application? We'll be there to guide you. For more information and to register go to: https://tinyurl.com/4bjf5nwx

SFU – Science Alive – Hour++ of Code

The Hour ++ of Code event features various FREE workshops for high school students to learn how to code and implement popular digital tools. All workshops are virtual/online. For more info and to register go to : https://sciencealive.ca/hour-of-code

SFU - Try/CATCH Tech Conference for High School Girls and Non-Binary Students

Try/CATCH (Computing and Technology Conference for Her) is a one-day event designed to spark curiosity and confidence in female and non-binary high school students in grades 8–12. With over 1,400 participants since 2009, it's more than a conference — it's a space to explore technology in a supportive, inclusive environment. Explore coding, robotics, and design through hands-on workshops for all levels. Connect with women in tech, from students to seasoned professionals. Fuel your curiosity with keynotes, panels, and prizes. Walk away with new skills and a glimpse into your future. This year's event is on Saturday, **October 24th**, 2026, from 9:30am – 5:30pm at SFU Burnaby, Applied Science Building. Registration is free: https://trycatch.cs.sfu.ca/index.html

Pathways to Science

Pathways to Science is a free online program designed to help high school students explore career pathways and strengthen foundational scientific skills. Held online once a month between September 2026-June 2027, hear directly from researchers and health professionals working in science and medicine. Participants will explore how scientific discoveries are made, learn about different education

and career pathways, and gain insight into what it's really like to work in research and healthcare. This program is open to Grade 11-12 students in BC and the Yukon. Students may sign up at any time during the series, but enrollment is limited to the first 1000 eligible participants. Registered students who attend 7 out of 10 lectures in the series will be eligible for a certificate of participation. To see the schedule, program details and registration form, visit the Pathways to Science website

JA Business Entrepreneurship Company Program

JA Company Program is a 16-week course that allows students in grades 11-12 to learn about business and entrepreneurship. Students from across B.C. – Join us this fall and walk away with the tools and resources required to build your own start-up! You will be placed in a team and will work collaboratively with other students to learn about human-centered design thinking, creative product development, product life cycles, e-commerce, app development, and more. You'll also develop your teamwork, decision making, and critical thinking skills. There are various In Person Cohorts available. For more info and to apply go to: https://jabc.ca/companyprogram/

TRIUMF– Saturday Morning Lecture Series Frontiers of Modern Physics

TRIUMF, Canada's Particle Accelerator Centre, in partnership with UBC and SFU, are proud to present the following FREE lectures: visit this link for more info and to register: https://triumf.ca/about/public-events/saturday-morning-lectures/

UBC Chemical & Biological Engineering High School Event

Grade 11 or 12 students are invited to experience a day in the UBC Chemical and Biological Engineering program. This year there are two dates to choose from: Saturday **November 7**, 2026, or Saturday **February 6**, 2027, from 9 a.m. to 4 p.m. Learn about the exciting careers of Chemical and Biological Engineers; Participate in fun, interactive workshops to better understand how engineers work together to solve real-world problems; Attend short lectures to experience what it's like to be a Chemical and Biological Engineering student at UBC; Tour the laboratories; Meet professors and current students. This one-day experience is FREE. Spaces are limited, so apply early! https://tinyurl.com/3cfhu95y

UBC & St-Paul's Hospital Centre for Heart Lung Innovation Lab Work Experience:

Grade 11 & 12 students who would like work experience in a life science research lab, this opportunity is for you. Students will have the opportunity to explore microscopy, histology, protein, and DNA analysis and careers in the life sciences area. This amazing opportunity will take place at St Paul's Hospital **November 16-20**. Come by the Career Centre for application instructions - deadline to apply is October 30th at Noon.

UBC Women in Engineering Mentorship Program

Are you a high school student curious about engineering? The UBC WiE mentorship program is your chance to connect with current UBC Engineering students and discover what engineering is all about! This program aspires to increase female* high school students' access to UBC engineering and to create a space where they can explore what engineering is and has to offer. As a mentee, you'll be exposed to monthly discussions with UBC mentors, tips and insights into UBC engineering, and in-person events

including design challenges, networking, and campus tours. The application deadline is November 6th, 2026. By applying, you are committing to the minimum time commitment of 1 Mentorship Group meeting per month. To learn more and apply: https://tinyurl.com/54wr2ynz

EA Teen Animation Scholarship Program

The EA Teen Animation Scholarship Program is a free program for artists ages 15-19. It is called a "scholarship" program because the fee for the program is covered by a scholarship that is automatically awarded to all students who are accepted into the program. In this four-month animation program for teens, students develop a strong portfolio for post-secondary school applications with the support of industry professionals. Students learn the methods, techniques, and technologies used in animation. Industry leaders and guest lecturers will share their knowledge and provide project mentorship as well as technique and skill development. Participants with a passion for animation, a talent for storytelling, and a commitment to the program will be able to develop a strong portfolio of projects perfect for post-secondary school applications. This program is offered in-person at Arts Umbrella's Moffat Media Arts Hub in Granville on Thursdays from 4:30 – 7:30pm from **January to May** 2027. Application deadline: December 1, 2026, 8:00am. For more info and to apply go to: https://tinyurl.com/y7f6trd7

Burnaby RCMP Youth Academy 2027

The Burnaby RCMP is hosting a Youth Academy **March 15-19, 2027,** at Burnaby Central Secondary School for students in Grade 11 or 12 with an interest in exploring a career in law enforcement. Come by the Career Centre for an application and more information. Application deadline is December 1st.

Burnaby Art Gallery – Artist Apprenticeship Program

Are you interested in working with professional artists and gallery staff at the Burnaby Art Gallery? You will be taking on the role of an artist creating artwork to be featured in an exhibit at the gallery. The program runs from **January - April 2027**. The deadline to apply is Friday, November 30th at 5 pm. Come by the Career Centre for an application.

UFV Open House is coming up on Saturday**, October 17** from 10am – 2pm. Students can visit our Abbotsford campus, get a feel for university life, and connect directly with the people who can answer questions about programs, admissions, student support, and more. At Open House, students can: Tour classrooms, labs, study spaces, and student housing; Chat with current students about university life; Meet faculty and ask questions about UFV programs; Check out discovery info sessions and Get help with their application.

Emily Carr - Campus Tours

Designed for prospective undergraduate students, Emily Carr offers guided tours throughout the year. This student-led tour brings you into our 300,000 square foot state-of-the-art purpose-built campus. During your visit, you will: Explore studios, labs, and creative spaces across campus; See a range of creative disciplines in action, from visual arts to media and design; Learn about student life and the ECU experience from a Student Ambassador; and gain a feel for our hand-on and studio-based learning environment. Your tour will conclude with an optional presentation and Q&A session, where you gain further insights into the application process, the admission requirements, and portfolio tips. For more info and to sign up go to : https://welcome.emilycarru.ca/portal/campus-tours

National Portfolio Day at Emily Carr

Planning on applying to Art, Media or Design school – this event is for you! National Portfolio Day is a unique opportunity for emerging artists and designers to share their work with representatives from accredited art and design schools. Students bring their portfolio—finished pieces, works-in-progress or sketchbooks—and receive direct, constructive feedback from faculty or admissions professionals. This undergraduate event is designed for high school students considering post-secondary art or design studies and anyone preparing to apply to a creative program. Attendees can meet with multiple schools in one place, ask questions about programs, facilities and admissions requirements, and gain insight into how to strengthen their portfolio for success. Participants leave with personalized guidance, a clearer sense of the expectations at different schools and inspiration to grow their practice and refine their application materials. National Portfolio Day Vancouver is Saturday, **November 21**, 2026. Pick up an info sheet in the Career Centre. Register to attend: https://ecuad.ca/events/save-the-date-national-portfolio-day-vancouver-november-21/

EducationPlannerBC Online Info Session
