Burnaby Mountain Secondary

We acknowledge and thank the Coast Salish Nations of Musqueam, Tsleil-Waututh and Squamish on whose traditional territories we teach, learn and live.

SCHOOL BULLETIN **Monday Nov. 23rd ,2026**

N E W	
Nov 30 **Mr. Look** 	Hello Burnaby Mountain, we're here to inform you that the Burnaby Mountain Leadership class will be "warming up" a sock drive and kits for a cause donation in the upper commons area during lunch period from November 4th to December 10th. Please "breeze through" and support the leadership students by bringing fresh new socks and money to donate to help unhoused people out in our community.  Don't leave your community out in the cold. 
Nov 27 Mr. Ko	**<u>Grade 12 Students.</u>** If you want your Grad Quote and Baby Photo featured in the yearbook this year, please complete the respective Assignment posted in the Grade 12 Info Team in TEAMS. If you are in grade 12 and are not currently part of the TEAM, please come see Mr. Ko in room 319. Please Complete by December 4.
Ms. Belyea	**Scholarship opportunities for Grade 12s!** The following scholarships have been recently posted on the Scholarship Team: ★ **BEEDIE LUMINARIES SHINE:** Financial support for Grade 12 students facing **financial adversity** who plan to attend post-secondary school. ($44,000) 🔨 **BEEDIE LUMINARIES BUILD:** Financial support for students pursuing careers in eligible **skilled trades.** ($20,000) ✹ **BEEDIE LUMINARIES RISE:** Financial support for eligible **refugees and immigrants** pursuing post-secondary education. ($44,000) ⛹ **TERRY FOX HUMANITARIAN AWARD** recognizes students who demonstrate leadership, compassion, and a commitment to volunteering and helping others. Check out the Scholarship Team for details and deadlines!

Work Experience Opportunities (gr. 11 & 12 only)

(Yes – these all count for work experience hours – make sure you get paperwork from the Career Centre BEFORE you go)

H.R. MacMillan Space Centre Work Experience Program for High School Students

The H.R. MacMillan Space Centre, also known as the Planetarium, has been British Columbia's premier space science attraction since 1968. We bridge arts, culture, and science to deliver unique shows, exhibits, and special events that spark curiosity and inspire exploration. As a non-profit organization, volunteer support enables us to continue to connect and build bridges across communities through the wonders of STEAM (Science, Technology, Engineering, Arts, and Math). Join a creative team who is passionate about inspiring exploration, learning without frontiers, and creating experiences of wonder. For more info and to sign up, come to the Career Centre.

Seaforth Holiday Marketplace

Seaforth Elementary School is looking for volunteers for their annual Holiday Market on Friday December 4th from 3 – 7 pm. The volunteer shifts details and registration link can be found here: https://signup.com/go/RbwvTVV After you have signed up, please get paperwork from the Career Centre.

Cameray Child and Family Services – Afterschool Program

Cameray Afterschool Program runs at Stoney Creek Elementary on Wednesdays from 3:30 – 7:00 pm. Volunteers help grade 5-7 students with the successful transition from elementary school to high school through group activities, homework helps and mentorship. Volunteers also help prepare dinner. For more info and to apply, stop by the Career Centre.

Auragami Club Volunteer Opportunities

Our club's goal is to make origami fun and accessible to the community. We aspire to teach people patience and perseverance through learning difficult crafts and by challenging themselves to pass down the knowledge/skills. The upcoming volunteer opportunities invite club members and students outside the club (grade levels 11 and 12) to teach elementary kids origami at Lyndhurst Library and Cameron Elementary. The times are still not set, but it is expected that volunteers will have to miss part of their school day to participate. The dates for each establishment are as follows: Cameron Elementary: Nov 13th, Dec 4th, Jan 15th, Feb 19th, Mar 5th. Lyndhurst Library: Nov 25th, Jan 13th, Feb 10th, Mar 10th. Sign up at the Career Centre.

Korean Language School at Miller Park Elementary School

The Korean Education Society is looking for volunteers for the Greater Vancouver Korean Language School (Coquitlam Campus) operating out of Miller Park Community School (800 Egmont Ave,

Coquitlam) on Saturdays from 9am – noon. Must be fluent in Korean. For more info and to apply please come to the Career Centre.

November 19 from 4:30 – 9:15(ish). Sign up at the Career Centre.

Career Exploration Work Experience (Pay to attend Programs)

(Yes – these count for work experience hours –you MUST get paperwork from the Career Centre BEFORE you go)

Mt Seymour Ski School Apprentice Instructor Program

The Apprentice Instructor Program is a selective, application-based opportunity designed for individuals who are eager to begin their journey toward becoming Snow School Instructors at Mt. Seymour. Applicants must demonstrate a strong commitment to learning, leadership, and personal growth. Only those who meet the program's criteria and are accepted through the application process will be invited to participate. This program is a full-season commitment with 2 hours of on-snow training per week, minimum 3 volunteer dates over the Winter holiday period, and one full-day volunteer shift on *either* a Saturday or Sunday for 9 weeks from January to mid-March (see dates below). It will focus on improving your skiing or riding technique to meet CSIA/PSIC or CASI level 1 standards, along with your teaching and assessment skills, to prepare you for your instructor certification. Program participants will have the opportunity to achieve their volunteer hours working with our Bear Cub (Age 4-7) programs in the

holidays / at weekends. This will allow program participants to learn from our snow pros in a real lesson environment. Cost to participate: $200. For more info and to apply go to: https://mtseymour.ca/apprentice-instructor-program

Career Exploration and Leadership Development

(these also count for Work Experience Hours – but you MUST get paperwork from the Career Center BEFORE you go)

REO UBC - Research Exploration Opportunity (REO) Program

REO UBC allows Grade 9-12 students to participate in hands-on, cutting-edge research at a UBC laboratory. During the program, students will: Tour research facilities, learn foundational lab techniques and participate in experiments, Shadow lab personnel, attend lab meetings, seminars, and faculty presentations and Be mentored by UBC graduate students and research staff. Our goal is to introduce youth, particularly those from communities traditionally underrepresented in STEM, including women in tech, LGBTQ+ youth, Indigenous youth, racial minorities, and students from rural or low-income areas to research environments and STEM career pathways. Program Dates: **March 15th-26th, 2027** (Spring Break) Cost: Free for all participants. Application Open: November 27th, 2026 - January 8th, 2027
To apply go to: https://linktr.ee/ubcstemfellowship

SFU – Science Alive – Hour++ of Code

The Hour ++ of Code event features various FREE workshops for high school students to learn how to code and implement popular digital tools. All workshops are virtual/online. For more info and to register go to: https://sciencealive.ca/hour-of-code

SFU Faculty of Applied Sciences - Computer Security Day with Science Alive

We're celebrating Computer Security Dayon this year by bringing you cybersecurity-related coding workshops and a Q&A session with a Master of Cybersecurity student! Join us on Saturday, **November 28** from 9:30AM to 11:30AM, for our basic ***Intro to Python*** workshop (you'll need to know the basics before you can join us for the next two workshops); from 12PM to 2PM, learn all about why there are so many rules to picking a password in our ***Password Cracker*** workshop; from 2:30PM to 4:30PM, finish the day with our ***Encryption/Decryption*** workshop and learn how to scramble and unscramble text. Join us on Monday, **November 30** (actual Computer Security Day) from 5PM to 6PM, hear from Alyssa (a Science AL! VE instructor and current SFU Master of Cybersecurity student) to learn all about her experience in computing science and cybersecurity. You'll also be able to ask her any burning questions you might have! To register go to: https://sciencealive.ca/computer-security

KPMG SPARK Event

What skills will matter most in an AI-powered world? What careers will exist in the future? How can you prepare today for opportunities that haven't even been created yet? The National Campus Recruitment and Early Talent Team is excited to invite secondary school from across Canada to join them for KPMG SPARK, a virtual experience designed to help students explore the future of work, build in-demand skills,

and discover how they can make an impact in the years ahead. This year's event will take place on Sat, **November 28**, 2026, from 1:00 PM to 3:00 PM EST. During this interactive virtual experience, attendees will: Hear from KPMG leaders on emerging trends shaping the future of work
Explore how artificial intelligence is transforming industries, careers, and everyday life, participate in interactive skills-building workshops designed for students, hear real stories and advice from young professionals about their education and career journeys, and Take part in engaging activities, challenges, prizes, and giveaway. Whether you're still exploring your options or already thinking about your future career path, SPARK will help you discover new possibilities, build confidence, and develop the skills needed to make your mark in an ever-changing world.
Register here: https://careers.kpmg.ca/event-38179/talentcommunity/form?lang=en-US (open until November 24)

Pathways to Science

Pathways to Science is a free online program designed to help high school students explore career pathways and strengthen foundational scientific skills. Held online once a month between September 2026-June 2027, hear directly from researchers and health professionals working in science and medicine. Participants will explore how scientific discoveries are made, learn about different education and career pathways, and gain insight into what it's really like to work in research and healthcare. This program is open to Grade 11-12 students in BC and the Yukon. Students may sign up at any time during the series, but enrollment is limited to the first 1000 eligible participants. Registered students who attend 7 out of 10 lectures in the series will be eligible for a certificate of participation. To see the schedule, program details and registration form, visit the Pathways to Science website

UBC Chemical & Biological Engineering High School Event

Grade 11 or 12 students are invited to experience a day in the UBC Chemical and Biological Engineering program. This year there are two dates to choose from: Saturday **November 7**, 2026, or Saturday **February 6**, 2027, from 9 a.m. to 4 p.m. Learn about the exciting careers of Chemical and Biological Engineers; Participate in fun, interactive workshops to better understand how engineers work together to solve real-world problems; Attend short lectures to experience what it's like to be a Chemical and Biological Engineering student at UBC; Tour the laboratories; Meet professors and current students. This one-day experience is FREE. Spaces are limited, so apply early! https://tinyurl.com/3cfhu95y

UBC – MiniEnterprize Case Competition

This one-day conference is designed to help students succeed in the business world by providing them with an opportunity to meet and interact with like-minded individuals. The high-energy, competitive atmosphere of MiniEnterprize offers an exciting platform for aspiring business leaders to sharpen their critical thinking, public speaking, and teamwork skills—preparing them to thrive in the dynamic world of business. Sign up individually or with a school team. When: **February 13**, 2027, Where: UBC Vancouver Campus, Henry Angus Building (Sauder School of Business) How to Case Competition: In a condensed timeframe, teams must rapidly analyze the case at hand, identifying key challenges and crafting innovative, tailored solutions. Following this, participants will confidently present their strategic ideas to a panel of seasoned professionals, engaging in insightful Q&A sessions to defend and refine their proposals. More info and register here: https://www.minienterprize.org/registration

EA Teen Animation Scholarship Program

The EA Teen Animation Scholarship Program is a free program for artists ages 15-19. It is called a "scholarship" program because the fee for the program is covered by a scholarship that is automatically awarded to all students who are accepted into the program. In this four-month animation program for teens, students develop a strong portfolio for post-secondary school applications with the support of industry professionals. Students learn the methods, techniques, and technologies used in animation. Industry leaders and guest lecturers will share their knowledge and provide project mentorship as well as technique and skill development. Participants with a passion for animation, a talent for storytelling, and a commitment to the program will be able to develop a strong portfolio of projects perfect for post-secondary school applications. This program is offered in-person at Arts Umbrella's Moffat Media Arts Hub on Granville on Thursdays from 4:30 – 7:30pm from **January to May** 2027. Application deadline: December 1, 2026, 8:00am. For more info and to apply go to: https://tinyurl.com/y7f6trd7

Burnaby Art Gallery – Artist Apprenticeship Program

Are you interested in working with professional artists and gallery staff at the Burnaby Art Gallery? You will be taking on the role of an artist creating artwork to be featured in an exhibit at the gallery. The program runs from **January - April 2027**. The deadline to apply is Friday, November 30th at 5 pm. Come by the Career Centre for an application.

Emily Carr - Campus Tours
Designed for prospective undergraduate students, Emily Carr offers guided tours throughout the year. This student-led tour brings you into our 300,000 square foot state-of-the-art purpose-built campus. During your visit, you will: Explore studios, labs, and creative spaces across campus; See a range of creative disciplines in action, from visual arts to media and design; Learn about student life and the ECU experience from a Student Ambassador; and gain a feel for our hand-on and studio-based learning environment. Your tour will conclude with an optional presentation and Q&A session, where you gain further insights into the application process, admission requirements, and portfolio tips. For more info and to sign up go to: https://welcome.emilycarru.ca/portal/campus-tours

National Portfolio Day at Emily Carr

Planning on applying to Art, Media or Design school – this event is for you! National Portfolio Day is a unique opportunity for emerging artists and designers to share their work with representatives from accredited art and design schools. Students bring their portfolio—finished pieces, works-in-progress or sketchbooks—and receive direct, constructive feedback from faculty or admissions professionals. This undergraduate event is designed for high school students considering post-secondary art or design studies and anyone preparing to apply to a creative program. Attendees can meet with multiple schools in one place, ask questions about programs, facilities and admissions requirements, and gain insight into how to strengthen their portfolio for success. Participants leave with personalized guidance, a clearer sense of the expectations at different schools and inspiration to grow their practice and refine their application materials. National Portfolio Day Vancouver is Saturday, **November 21**, 2026. Pick up an info sheet in the Career Centre. Register to attend: https://ecuad.ca/events/save-the-date-national-portfolio-day-vancouver-november-21/

Douglas College - Online Info Sessions

Douglas College virtual info sessions provide important details such as admissions requirements, co-op opportunities, career pathways, university transfer options, curriculum guidelines, and more. Plus, each program-specific information session is led by a faculty member from that program, so you get to interact and converse with your future instructor(s). Upcoming virtual info session **Tuesday November 17th** at 5pm. See our information session page to find out which programs will be present. For more info and to register go to: https://www.douglascollege.ca/future-students/explore-douglas/information-sessions
